# SEXY AKIBA DETECTIVES

Image(s)-sailor / by Nakoya Hanson Chapter 24

When I first found the manga, I was really into it. I decided to do a fan-made can/jvl game called "Sexy Akiba Detectives" that centers "Akiba's with a string to win their love battle" and "Akiba's Detective" is a "Detective" game. I considered trying to explain the game but I decided to just make it a "Detective" game. I decided to make it a "Detective" game.
